'ssup Hotaru!
I called you this morning to wake you up but you never answered the phone.
It's already afternoon, you know
A late start
You're late as usual
You didn't get your class schedule wrong today, did you?
But the strangest of them all
Hhhotz... Er, I mean, Tora-san, that's overeating
And we ate Kyo's portion too.
Everyone sure looks strange today
You're actin' like some elitist. But because you were late, we ended up eating your share of the lunch so that's ok.
Do you wanna die?
Is that banchou and that sukeban
Hellooooo Everyone
By the way, where's Kyo?
What did you say?!
But you're pretty old yourself, Tora-san
I guess this is a classic case of generational [illegible]

Is Kyo here?

Hi there! Sorry for not stopping by sooner. You girls look so pretty today!
It strangely feels like it's been awhile since we've seen Yukimura, doesn't it?

Oh, Bon-chan, what are you doing here? You're still in high school? Then that must mean that you fail--
Shut the hell up! I'm infinitely young at heart!
I never asked you to do that!
Well actually, I was simply escorting Sasuke from the Samurai Gakuen Elementary School since he's forever the guardian.
Oh that's right, Sarutobi is still in grade school...
Did you come here just to insult me, Yukimura?
Isn't that illegal?
Kosuke is there in my place taking the exam!
Oooo Sasuke, you're worried about me?! I'm sooo happy! But it's ok because...
and anyway Yukimura aren't you supposed to be attending the university right now?
Hey you bastards !!

How tiring
Behave yourself, ... Saishi
school hours have already begun! how much longer are you going to fool around? we, the members of the goyou student council will not tolerate such behavior!
You say all this even though your hair is bleached white
those of you that are not students of this high school should not be here!
cross dressing is gross! shave your face!
My face is always shaved
You can't call them rather, I know
piercings and markings are wrong!
My hair is naturally curly...
bleaching and perming of the hair is forbidden!
Oh . . . .
Ok then
and especially you hotaru, you'll're supposed to be a proud member of the elite goyou student council. what the hell is wrong with you hanging around these people!
er... well, i mean to say
Don't back down Shinrei
You know, for a person who is boasting about his members of the elite Goyou Student Council, aren't you actually missing a few people?
why you !!
Well in that case, I quit the Goyou Student Council.
I thought he'd say that
